Ministry for Foreign Affairs  
Sweden

The Ministry for Foreign Affairs presents its compliments to the Diplomatic Missions and Offices of the International Organizations in Sweden and has the honour to communicate the following.

1. In view of the obligation of the receiving State under international law to protect the Missions, the Offices and their staff, the Ministry would be grateful to receive the name, address and telephone number (home and mobile) of at least one member of each Mission and Office who can be contacted in case of emergency.

Whenever the person responsible for this contact is leaving, it is essential that the Ministry is notified and informed about who will replace him/her.

2. For the same reason, the Ministry would be grateful to receive address and telephone number of the residence of the Heads of Mission and Heads of Office.

The Ministry would appreciate receiving the above information from all Diplomatic Missions and Offices of the International Organizations, even in cases where no changes have occurred recently, by Friday 21 September 2007. The information will be regarded as confidential.

The Ministry for Foreign Affairs avails itself of this opportunity to renew to the Diplomatic Missions and Offices of the International Organizations in Sweden the assurances of its highest consideration.
